What is the Government Performance Manager Certification?

With the Government Performance Manager (CGPM) Certification Program, you will acquire the skills and tools needed to make you the lead performance management resource for your organization. This comprehensive program is designed to equip professionals like you with the knowledge and skills needed to effectively manage and improve government performance.

By taking our online training, you will gain a deep understanding of key performance management concepts and best practices. At the Performance Institute, we offer a full suite of Certified Government Performance Manager training programs that will allow you to determine your future as a government performance manager.

Once you complete these courses, you will take **the professional level test** and upon successful completion, you will be awarded your **Government Performance Manager Professional Certification.**

Course Materials

As a course participant, you will gain access to:

- The program workbook and handouts (if available)
- Two-year access to our training platform, where you'll be able to revisit course materials and presentations
- Early access to whitepapers, videos, webinars, and blogs

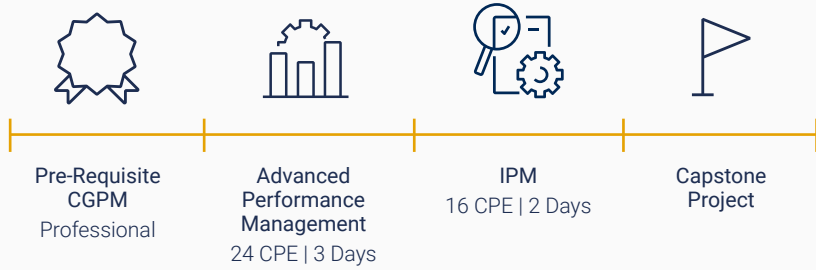

Credits

Credits from the following organizations are available by completing this program:

Advanced Level

Bring Performance Institute Training and Certification On-Site to Your Organization

Empower your team with the Certified Government Performance Manager (CGPM) program from The Performance Institute. Gain the expertise to lead performance management initiatives within your organization effectively.

Our program offers two certification options: **a standard certificate with a brief examination and an advanced certificate involving a capstone project. With the advanced certificate, you'll tackle a real-world project from your agency, applying course concepts and receiving expert feedback.**

Upon certification completion, you'll earn both professional distinction and academic credit. The Performance Institute is accredited by the National Association of State Boards of Accountancy (NASBA).

Customize the CGPM program to meet your organization's unique needs. On-site training for groups of seven to 30 ensures optimal utilization of your training budget. Our subject matter experts will collaborate with you to identify specific organizational requirements and tailor the training accordingly.

Interactive exercises based on real-life examples from your organization foster an engaging learning environment while delivering immediate ROI on your training investment. Address specific challenges and align session curricula with your objectives seamlessly.

For more information on bringing Performance Institute Training on-site to your organization, **call 1-877-992-9521 or email info@performanceinstitute.org.**

Performance Institute is registered with NASBA as a sponsor of continuing professional education on the National Registry of CPE Sponsors. State boards of accountancy have the final authority on course acceptance for CPE credit. Submit complaints regarding registered sponsors to the National Registry of CPE Sponsors via its website: www.learningmarket.org.
