

Group Training: Elevate Your Team's Performance

At the Performance Institute, we offer comprehensive group training programs designed to enhance your organization's performance management, measurement, and benchmarking skills. Our evidence-based practices and expert-led sessions ensure that participants gain the latest techniques for achieving success.

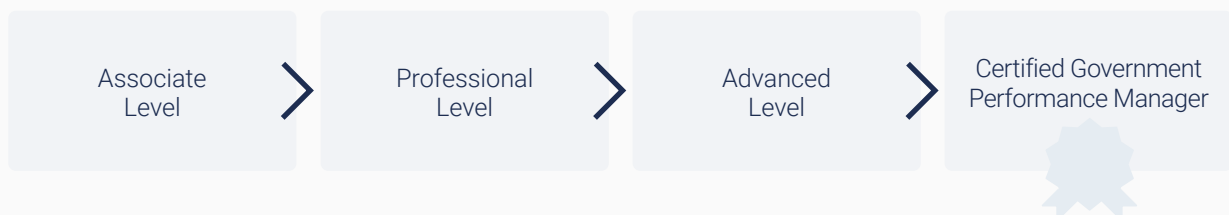

What to Expect from Group Training

Our group training sessions offer a personalized learning experience for your agency. Here's what you can expect:

- **Personalized Training Content:** Tailored content to address your organization's specific needs and goals.
- **Follow-up Support:** Ongoing support to ensure that participants can apply their newfound knowledge effectively.
- **Group Dynamic:** Collaborative learning environment that fosters engagement and knowledge sharing.
- **Convenient Scheduling:** Flexible scheduling options to accommodate your team's availability.

Group Certification: Become a Certified Government Performance Manager

Embark on a journey to become the lead performance management resource for your organization with our comprehensive Government Performance Manager (CGPM) Certification Program. Designed to equip professionals with the knowledge and skills needed to effectively manage and improve government performance, our program offers three levels of certification:

Associate Level

Build the foundation for performance measurement and management in your organization with a full-week program and 40 CPE Credits. Upon completion of required courses and a 50-question test, you'll earn your Associate Certification.

Professional Level

Advance your skills with a full-week program and 40 CPE Credits. Upon completion of required courses and a professional-level test, you'll earn your Professional Certification.

Advanced Level

Take your expertise to the next level with advanced courses and a capstone project. Upon completion and approval of your project, you'll earn your Advanced Certification.

* Complete a capstone project to demonstrate your mastery of performance management principles. Upon approval, you'll be awarded your Advanced Certification.
